why use our design services?

1

RELIABLE SOURCING

Our team is vastly experienced in planning and tracking materials and accessories needed in interior design. Our purchase team liases with quality vendors to provide you with top quality materials.

2

TURNKEY + PROJECT MANAGEMENT

With architects and designers on the team, coordinating the planning and design is seamless, ensuring consistency with the discussed home design concept.

3

SINGLE POINT OF CONTACT

You don't need to go running around trying to contact interior designers, decorators, architects and vendors.
We do it all for you! You just need to keep in touch with us.

4

TIMELY DELIVERY

At the heart of our ethos is a commitment to completing interior design projects on schedule and within budget. Our solutions are synonymous with superior quality, promising longevity and timeless appeal.

Decomax Solutions is the singular source for your interior design needs, offering turnkey fit-outs, expert space planning, project management, and bespoke furniture and joinery. Our comprehensive services also include HVAC and MEP works, guaranteeing a holistic approach to every project.

TURN KEY FIT OUT SOLUTIONS

At Decomax, we deliver excellence across all facets of interior fit-out services, encompassing ceilings, partitions, flooring, wall finishes, and more. Ensuring our fit-out services align seamlessly with client expectations is our top priority. Clients choose us for the ease of a one-stop destination that eliminates the hassle of managing multiple interior design companies.

With Decomax Solutions, they can trust us to handle all their fit-out needs nationwide, providing a seamless and exceptional experience every step of the way.

RETAILS, OFFICE AND COMMERCIAL FIT-OUTS | RENOVATION AND REFURBISHMENTS

MEP SERVICES

At Decomax Solutions, our experienced team of engineers is dedicated to providing comprehensive mechanical, electrical, and plumbing (MEP) services. From installation to refurbishment, retrofitting to maintenance, we offer round-the-clock support to ensure your project's success.

Our MEP services are tailored to exceed client expectations, with processes that are meticulously designed to ensure optimal suitability for your space. At Decomax, we take pride in our ability to solve our clients' challenges, delivering results that exceed imagination.

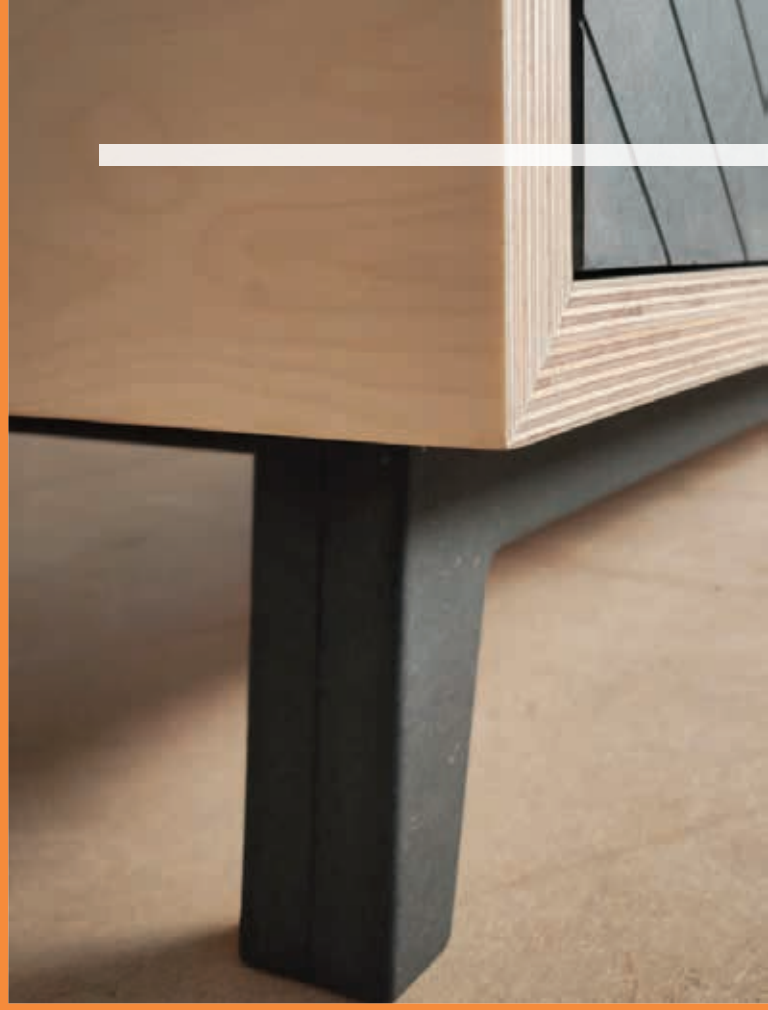

COMPLETE ELECTRICAL SOLUTIONS | PLUMBING AND DRAINAGE WORKS HVAC WORKS

JOINERY

For exquisite handcrafted joinery, look no further than Decomax Solutions. Our timeless techniques result in artistic pieces that effortlessly complement any setting, whether traditional or modern.

Our joinery work not only enhances the natural beauty of wood but also ensures functionality and durability, qualities inherent in all our products.

From design to planning and fitting, our joinery services cover kitchens, homes, offices, resorts, storage units, staircases, flooring, and more. Whatever your style or expectations, we tailor our work to meet your needs with precision and artistry.
